Ridership Plan

Ranked Order of Top Ridership Priority Initiatives:
1. Make Transit Priority Improvements
2. Prioritize Security Improvements
3. Increase Peak Hour Service
4. Invest in Higher Capacity Buses
5. Improve Customer Experience
6. Limited Stop Bus Service
7. Add More Off-Peak Bus Service
8. Expand TOD and Real Estate Programs
9. Invest in Transit Priority Corridors Regionally

… and need to recognize ridership impacts of Steel Bridge rail work
Travel Time and Transit Priority

... more to come
## Transit Priority Improvements

**Objective 20.** Develop partnerships to support faster and more reliable bus service

<table>
<thead>
<tr>
<th>FY2019</th>
<th>RESULTS HIGHLIGHTS</th>
</tr>
</thead>
</table>
| ![Green Up Arrow](image1.png) Seven hotspots implemented during FY2019 | • Secured funding for transit priority treatments from HB2017 and pursuing additional funding for further treatments  
• Installed bus transit priority improvements at multiple locations within City of Portland (SW Madison, SE Washington at 82nd; SE Division at 60th Ave; NE Sandy at Killingsworth; N Albina at Alberta, N Albina at Rosa Parks; and NE 15th at Fremont).  
• Three bus lanes from Transit Mall to bridges in downtown included in adopted Central City In Motion Plan and scheduled for implementation before end of calendar 2019 to improve bus travel times and reliability  
• Regional Transportation Plan adopted with a Transit Plan and more transit priority policies |

---

**TRIOMET**
Customer Information and Experience

Objective 3. Improve overall customer experience  &  
Objective 5. Improve customer information and services

• Trip planner enhancements online now with www.trimet.org  
  website update on its way
• Improve cleanliness of vehicles
• Increase visibility and frequency of customer service  
  personnel on the system
• Enhanced customer experience training for staff
**Vision**: TriMet will be the leader in delivering safe, convenient, sustainable and integrated mobility options necessary for our region to be recognized as one of the world’s most livable places.

**Mission**: Connect people with valued mobility options that are safe, convenient, reliable, accessible and welcoming for all.

**Values**: Safety · Inclusivity · Equity · Community · Teamwork

### 1. PRESERVE the Core

**Take Care Of What We Have**

- Maintain and repair transit assets
- Ensure safety and reliability of our assets and service
- Preserve certainty of service

- Introduce laws to require local jurisdictions to maintain ADA accessibility on all main streets and corridors

### 2. ENHANCE Service

**Make What We Have Even Better**

- Provide more service
- Make our current service faster and more reliable
- Improve efficiency of the right-of-way
- Replace, expand and improve our vehicle fleet
- Improve sustainability
- Use AV technologies

- Expand laws and policies that provide transit priority and protect transit right-of-ways
- Create AV regulations that support transit

### 3. EXPAND Access

**Leverage Mobility Options To Expand Reach Of Transit**

- Expand modal options to increase access to transit
- Coordinate with other mobility providers
- Complement both personal and shared micro mobility modes
- Revise transit parking options for all modes

- Strengthen accessibility requirements in all jurisdictions
- Broaden laws and policies that require other mobility providers to coordinate with transit

### 4. BUILD the Future

**Shape Communities Throughout Our Region**

- Grow intensity of development at transit stations
- Strengthen corridors with better bus investments
- Deliver crucial capital projects for our region

- Encourage regional and local governments to increase density
- Support ODOT and others to implement congestion pricing

### 5. INTEGRATE Mobility

**Provide Seamless Mobility Options For Our Customers**

- Enhance customer experience & information
- Provide seamless transfers with all modes
- Create mobility hubs
- Provide regional mobility management
- Optimize transportation operating systems

- Introduce laws and regulations to require data sharing for aggregated trip planning
- Regulate curb space for transit benefit
- Push for TDM policies that support integrated mobility

### Key Points

- **Support our economy and provide opportunity**
- **Ease congestion**
- **Provide mobility for those with few options**

- **Help shape the future of our region**
- **Reduce emissions and support environmental sustainability**
## State of Good Repair

Objective 37. Meet or exceed state of good repair (SGR) targets for all identified asset classes

<table>
<thead>
<tr>
<th>FY2019</th>
<th>RESULTS HIGHLIGHTS</th>
</tr>
</thead>
</table>
| Completed Transit Asset Management Plan before deadline | ✓ Transit Asset Management Plan completed before federal deadline  
• TAM Plan inventory and condition assessments completed for end of FY2019  
• FY2019 adopted budget includes increased allocation to state of good repair  
• State of good repair needs for assets emphasized in annual budget prioritization process |

- Continue to replace key assets for customer experience and safety
- Technology improvements for asset inventory, condition assessment, maintenance, and management of TriMet assets
- FY2020 budget dedicates $112.8 million towards SGR projects, which is 37.5% of the CIP Budget
Sustainability and Carbon Emissions

- Added to Premises
- Need to better understand current and projected carbon emissions from TriMet activities and better capture what we’re already doing
Dimensions Beyond Ridership

- Target is to achieve travel time advantage for transit compared to driving alone on key corridors
- Carbon reduction
- Enhanced customer experience
- Integrated mobility trip planning
Coordinated Schedules

Service Plan
• 4 open houses to inform FY21 service plan
• Final open house in mid-February to affirm any changes heard
• Board considers for approval final FY21 service plan at its March (1\textsuperscript{st} Reading) and April (2\textsuperscript{nd} Reading) meetings

Budget
• March 11 – Proposed Budget released to Board of Directors
• Early April – Four open houses to be held for public comment
• May 27 – Board considers FY21 budget and approves by resolution
• July 1 – FY21 budget begins
