

Playing around MAX is **DANGEROUS!**

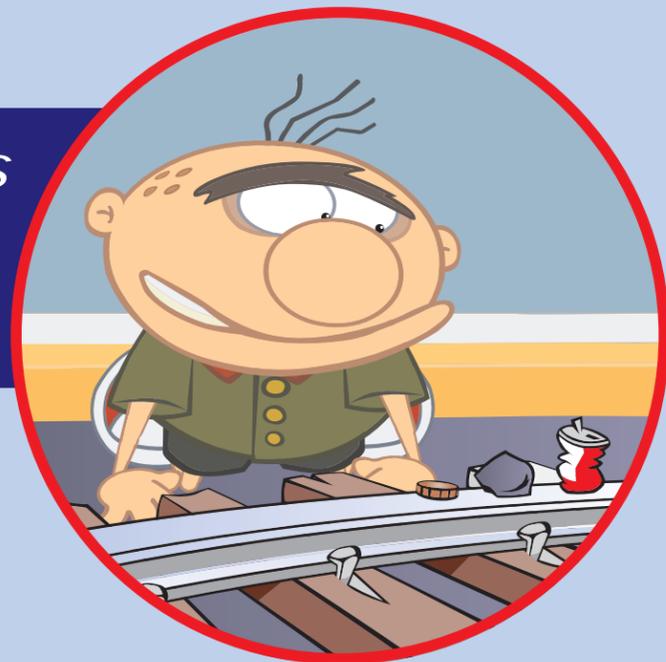

- *MAX tracks are a dangerous place to walk or play*

- *Playing around parked trains is dangerous*

- *Placing things on tracks is dangerous to you and passengers on the train*

*MAX trains can come from either direction—
they are quiet,
frequent and fast*

No Horsing Around on MAX platforms!

- *Don't ride bikes or skateboards on MAX platforms*
- *Be careful when boarding or leaving trains*
- *Platform may be slippery when wet*
- *WALK, don't run on platforms*
- *Stand away from the edge*
- *Obey all signals*

STAY ALERT!

Obey all traffic signals

- *Obey all traffic signals, including down crossing gates*

- *Pay attention—MAX trains move with very little sound in both directions*

- *ALWAYS look both ways before crossing*

- *Obey "walk" and "don't walk" signs*

- *Cross only at designated crosswalks*

- *Never try to outrun a train*
