### Notes

- **X** Trains that travel beyond Beaverton Transit Center change to a Blue Line prior to arriving at Gateway Transit Center.
- **Note:** The last three trains of the night turn into eastbound Blue Line trains at Gateway, terminating at Ruby Junction/E 197th Ave Station.
Please note: Schedules may change without notice by up to three minutes to relieve overcrowding or adjust to traffic conditions. Service can also be affected by construction, accidents and weather conditions. You can check for any current detours or service disruptions at trimet.org/alerts or call 503-238-RIDE (7433) for real-time arrival information from TransitTracker™. All buses, MAX trains and streetcars are accessible to people with disabilities.
