Webinar ID: 884 5081 2857

Action Items

A. 9:30am - Call to Order and Introductions – Committee Co-Chair

B. TriMet staff updates

- Digital Accessibility
 - Please see the document in the meeting materials titled “Stop Detail Page - Testing Instructions”. We are gathering feedback on how this page performs with screen readers, specifically with live-updating arrival times. If you cannot attend the meeting, please feel free to send Justin Rossman feedback directly: rossmanj@trimet.org
 - **Action items:**
 - Committee to continue to test webpage and send Justin Rossman any additional feedback
- Customer Experience
 - Six new bus routes now automatically announcing all stops: 4, 19, 31, 39, 57, and 75. Still on track for all lines by end of year.
 - **Action items:**
 - None to Report

- Accessible Transportation Programs
- Aira reporting & updates
- Blue Light Phones (current braille says security – anything better?)
 - **Action items:**
 - None to Report

C. Open Discussion

- **Action Items:**
 - Set a date to bring different screen reader technology options into mobility center for a test session for riders and staff to view.
 - Send Kerrie Franey from ODOT CAT's floating platform letter
 - Can information on the details of texting & calling 503-238-RIDE for rider assistance be on the overhead announcements?
 - Look into Bluetooth beacons for outdoor wayfinding solutions as they do not require beeps and other audio cues.

D. 11:00 - Meeting Adjourned
