Zoom

Agenda

A. 9:30 - Call to Order and Introductions – Committee Co-Chair

B. Communicating Service Disruptions – Joe Tobias, Senior Project Manager, Customer Information Services

➤ **Action Items:**

- Ensure that there is efficient on street customer support during bus bridges to help riders more easier navigate.

C. Committee Member Feedback and Discussion

- With no fare gate project in the works, alternative plans to ensure safety perceptions on those platforms.

➤ **Action Items:**

- Some members request required fare paid zones or other mechanisms to make the system friendlier to use for older adults and those with disabilities.
- A request for more robust updates from the safety & security team in the monthly business meetings.
- Moving the bike storage from inside the FX vehicles to the outside continues to be a topic.

- Where do we stand on opening up free fares for Lift certified passengers on fixed route

➤ **Action Items:**

None to report

D. Open Discussion

E. 11:00 - Meeting Adjourned
