Action Items

A. 9:30am - Call to Order and Introductions – Committee Co-chair

B. Update to TriMet NEXT

➤ **Action Items:**

- o Continue to remain open in finding same day service options.

C. Examining common locations in regards to LIFT policy updates

➤ **Action Items:**

- o As the new polices start, TriMet and TransDev will be working with riders and operators to get accessible pick-up and drop-off locations updated in the system.

D. Third-Party Contractors

➤ **Action Items:**

- o Ensure riders that participate in LIFT+ know that they can file commendations and complaints about Uber rides with both Uber and LIFT customer service
- o Check with Uber to see if our backend platform can work within their Woman only drivers platform

E. LIFT Subcommittee meeting cadence

➤ **Action Items:**

- o Keep bimonthly as is and if there are no pressing topics, the meeting will be cancelled

F. Standing agenda item(s)

Eligibility stats

➤ Action Items:

- o None to Report

G. Open Feedback & Discussion

-ODOT funding increase, does it help LIFT at all?

➤ Action Items:

- o Look into the 15-minute IVR calls as some members reported they were not receiving them.
- o Within the curb-to-curb service update, will operators still pull into the entrance of an accessible facility (church, retirement home, day center, etc.), or would it be the curb out on the street?

H. 11:00 - Adjourn
