---

**Action Items**

---

**A. 9:30am - Call to Order and Introductions – Committee Co-Chair**

**B. TriMet staff updates**

- Digital Accessibility

➤ **Action Items**

- Audit not yet completed, but the team should have the results to share out in the April subcommittee meeting
- Is Yamhill County included or going to be included in TriMet's new Regional Trip Planner?

- Customer Experience

➤ **Action Items**

- Falcon Devices will continue to roll out at MAX platforms through the end of the FY26 fiscal year
- Signage placards with raised lettering have been ordered and should take 2 weeks for production and then be installed.
- Automatic Voice announcements on the Falcons to be pushed out as a test at Pioneer Square Platforms.
- The CAT has been asked to be notified once the voice announcement updates go live so they can test it out.

- It was asked to promote the Falcons more on the TriMet website, especially on the stops & Amenities page.
- It was asked to add a discussion about braille on the Falcons in April Executive Committee meeting.

- Accessible Transportation Programs

➤ **Action Items**

- None to Report

**C. Open Discussion**

➤ **Action Items**

- Look into digital reader boards, reports of them not working on multiple buses.
- Add Octagonal poles for the 82<sup>nd</sup> project onto the April EC agenda

**D. 11:00 - Meeting Adjourned**
