Agenda

A. 9:30am - Call to Order and Introductions – Committee Co-Chair

B. TriMet staff updates

- Digital Accessibility
 - Action Items
 - While there was a 1-year extension of the WCAG requirements, the TriMet team will continue towards the goal of reaching the original deadline of April 26th, 2027.
- Customer Experience
 - Action Items
 - Team is looking into the material for braille placards for the Falcon devices, once that has been decided, an order will be placed.
 - Still working towards an automatic voice function for the Falcons and will update the committee once there is further progress.
- Accessible Transportation Programs

➤ **Action Items**

- Transit Center braille and tactile map testing continues this week on Thursday and Friday from 10am – 1pm. We are still taking volunteers to test maps and also to provide support for those doing the testing.
- March AIRA update: 3 users, 10 calls, 127 minutes
- TriMet is extending the AIRA program to riders using LIFT service. This will help riders as they navigate from an address to the vehicle while receiving curb-to-curb service.

C. Open Discussion

D. 11:00 - Meeting Adjourned
