ARTICLE 9 – PAY SCHEDULES AND CLASSIFICATION
Section 1 – WAGE RATE ADJUSTMENT
Par. 1  For the term of this agreement, wages for all classifications, except Student Operators, covered by this Agreement will be increased 1.8% on December 1, 2019; with no other increases during the contract.

The current apprentice classifications that have current employees will be covered by a separate MOA, which will remain in effect for each apprentice classification until all current employees graduate or leave each classification. The raises for these classifications will track any general raise for ATU employees during this time period.

Yearly increases to be applied on base year salary. Longevity premiums for all employees (except maintenance journey workers, senior parts-persons, and streetcar superintendents) shall be $.30 per hour after 15 years of service; an additional $.35 per hour after 20 years of service; an additional $.65 per hour after 25 years of service; and additional $.50 per hour after 30 years of service; and an additional $.50 per hour after 35 years of service:

Section 2 – NEW JOBS AND CLASSIFICATIONS
Par 1. The District agreed on the following policy with reference to new jobs and classifications: In the event the District creates a job or classification within the bargaining unit but not presently covered by the Labor Agreement, openings shall first be offered to District employees and filled by these employees if they can meet the qualifications of the job as established by the District. In the event an employee has the basic qualifications necessary, s/he will be given a reasonable training period to learn the details of the job. In making its selection among qualified employees, seniority in the District will be considered. Reasonable rules and procedures to administer the above paragraph shall be worked out between the District and Union, as necessary.

The intention of this proposal is not to change the allowance structure, only to take into account the changes in the classification structure and new job classifications.
