Visit trimet.org/timetable for the most up-to-date service information.

Note: MAX Red Line service is disrupted between Gateway/NE 99th Ave Transit Center and Portland International Airport due to "A Better Red" project construction. Shuttle buses serve nearby all affected MAX stations from June 18 to October 21.

B Trains that travel beyond Beaverton Transit Center change to a Blue Line prior to arriving at Gateway Transit Center.
Times in darker print are p.m.

Please note: Schedules may change without notice by up to three minutes to relieve overcrowding or adjust to traffic conditions. Service can also be affected by construction, accidents and weather conditions. You can check for any current detours or service disruptions at trimet.org/alerts or call 503-238-RIDE (7433) for real-time arrival information from TransitTracker™. All buses, MAX trains and streetcars are accessible to people with disabilities.
